Vadodara – India

EXPERIENCE

Website Designing Secretary:

Feb-2024 – March-2024

- As the website secretary for my college fest “PRAKARSH”, I managed the event website, making sure it was up-to-date and easy to navigate.
- I worked closely with different teams and stakeholders to keep the website fresh with the latest event information.
- My skills helped me adapt quickly to the demands of working with various people and groups.
- I used agile practices and tools like JIRA to stay organized and handle any issues that came up.
- resolving code issues, troubleshooting bugs, and fixing data discrepancies to ensure a seamless online experience.

TECHNICAL SKILLS

- **Primary Skill** - JavaScript, TypeScript, Next.js, AstroJS, React, HTML5, CSS3, Tailwind CSS, Python (Pandas, Numpy, os module), Data Analysis.
- **Secondary Skills**- Git, GitHub, Bitbucket, JIRA, Agile Development, Linux
- **Database Experience**- MySQL, PostgreSQL, Firebase.
- **Tools and Technologies**- Visual Studio Code, Testing Library, Netlify, Vercel.

PROJECTS

- **SOLID WASTE MANAGEMENT WEB/APP-**
Worked with a four-person team to create an interactive web app using HTML5, CSS3, JavaScript, Bootstrap, and SASS to manage solid waste in cities.
- **CHAT APPLICATION**
Designed an effective and interactive Chat application interface using Kotlin, Firebase, and tools that allow users to log in and chat with the users available on the app.
- **E-COMMERCE WEBSITE**
Designed an interactive E-Commerce application using Nextjs, TailwindCss, MongoDB, Prisma, Stripe, and Axios that allows users to authenticate themselves and shop from the store.
- **Prakarsh (NATIONAL LEVEL EVENT)**
Managed a Team of 9 members and developed 2 magnificent websites for PRAKARSH'24 i.e. Main PRAKARSH website and an Open-R website

ACHIEVEMENTS

- Appointed as **Website Secretary** in a National level event Prakarsh'24 organized by **SVIT VASAD** and developed two websites i.e. PRAKARSH and OPEN-R.
- Participated in "**Hack SVIT**" organized by MLH at SVIT and developed a CARBON OFFSET website.
- Participated in "**MECIA Hacks**" organized by SVIT VASAD and developed a "Solid waste management website" implementing the machine learning concepts to recognize the wastes using CCTV camera
- Won a **Silver Medal** in the Inter-Branch **Kabbadi** Tournament.
